Date: March 1, 2000
To: All Bridge Detail Manual Users
From: S. W. Horton
Subject: CDOT Bridge Detail Manual Revisions

Chapters one through five of the CDOT Bridge Detail Manual have been updated. These five chapters are now available electronically through the CDOT bridge web page.

<http://www.dot.state.co.us/business/Design/Bridge/index.htm>

The older chapters, six through fourteen, are scheduled to be available on the CDOT bridge web page in April.

Please review and become familiar with these revised chapters. If you have any questions or recommendations for improvement please contact:
